1966 Football World Cup

As the 2026 FIFA World Cup reaches its climax in North America, it marks the 60th anniversary of a triumph that has gone down in English football folklore. It was on 30th July 1966 that England lifted the World Cup with a stunning 4-2 victory over West Germany in the final at Wembley.

The names of England's eleven heroes that day are printed indelibly in the country's sporting consciousness – Gordon Banks, George Cohen, Jack Charlton, Bobby Moore, Ray Wilson, Nobby Stiles, Alan Ball, Bobby Charlton, Martin Peters, Roger Hunt and hat-trick hero Geoff Hurst.

Hurst is the only member of the team still alive, and this catalogue contains signed biographies of most of the team, as well as accounts of the 1966 World Cup Final.
